EDITOR'S LETTER

DEAR VISITOR

This summer seems to be a bit hotter than previous ones - not just in temperature, but also in the ever-expanding offer of locally sourced and created products. Take your time to stroll through this vibrant city center and explore what Zagreb has to offer, we promise you won't be disappointed. After all, it is the craftsmen of the city that have made and continue to make Zagreb the upcoming European city to visit.

In this issue's interview, we introduce Anamarija Brkić, an innovative fashion designer with an eye for detail. She uses modern, ecologically conscious, breathable fashion that will make the summer heat a more comfortable and pleasant experience.

Furthermore, we give you an insight into one of Croatia's first and highly regarded horologists and his approach to excellence. For the past 40 years, this family business has continuously been striving to fulfill all the wishes of its demanding clientele, and it is their expertise that has made them renowned artisans for Rolex in this region.

Even though the character of their businesses is different, both of this issue's interviewees are united in their love and consideration for detail. This proves that only by paying attention to detail can you create well-crafted and innovative products with purpose.

Therefore, Dear Traveler, go out, explore and try to notice the details - you might be surprised with what you find.

Sincerely,

Insight Design Guide Team

UNITED IN LOVE FOR DETAIL

IN THIS INTERVIEW WE PRESENT CROATIAN DESIGNER ANAMARIJA BRKIĆ FOR A'MARIE FASHION BRAND AND PERO MAMIĆ OFFICIAL ROLEX AND TUDOR RETAILER

A'MARIE, ANAMARIJA BRKIĆ

A'MARIE BRAND IS WELL-KNOWN FOR ITS SOPHISTICATED ELEGANCE AND OFTEN DESCRIBED AS CLOTHES MADE OF DREAMS! CAN YOU TELL US A BIT MORE ABOUT YOUR BRAND AND ABOUT A'MARIE PHILOSOPHY?

A'marie clothes are all about femininity, feeling amazing and comfortable at the same time, being sensual and chic. Also, from the start, we have focussed on an eco-friendly approach and natural materials. So when you wear A'marie you are not only being fashionable and loving how you look – you are showing your love for nature, too.

WHAT IS EMPHASIZED IN YOUR CURRENT COLLECTION?

Our latest collection is A'marie Cruise, designed for vacations and summer getaways. Dresses in pastel colors, details like ruffles, cut-outs, pom poms and ribbons, maxi dresses as one of the most attractive trends this season, and jumpsuits. Gentle and breathable fabrics are always a must, so this collection is not an exception when it comes to that. Lots of white and breezy materials.

HOW WOULD YOU DESCRIBE CROATIAN FASHION STYLE COMPARED TO FASHION STYLES IN OTHER COUNTRIES?

Croatian women are very much into fashion. They love dressing up and spending after-work time and weekends in the city center. That is why it's important to them to feel good and comfortable in what they wear daily, not

compromising when it comes to looking amazing. When you come to Zagreb and walk down the main street, the first thing you notice are beautiful women and their love for trends.

WHERE DOES YOUR INSPIRATION COME FROM?

I am very much inspired when it comes to the A'marie brand, always planning ahead, thinking about my next collection. I am most inspired by the materials, that is why I choose them very carefully. I always think about how to use them in the best way possible. Also, I know my customers very well and why they love A'marie design, and it's very important to me that every new piece of clothes stays true to our brand.

PERO MAMIĆ

YOU WERE THE FIRST IN CROATIA TO START WORKING WITH LUXURY SWISS WATCH BRANDS, AND RECENTLY YOU HAVE CELEBRATED AN IMPRESSIVE 39 YEARS OF COOPERATION WITH ROLEX. CAN YOU TELL US MORE ABOUT HOW YOU GOT STARTED?

I found my life calling as a child while playing with my father's watches and becoming fascinated with the movements. After becoming a watchmaker, I spent some time working for a watch and jewelry boutique in Connecticut, USA. This turned out to be an invaluable experience, since I had an opportunity to learn from a master watchmaker and work with tools and parts which were unavailable in Croatia at the time. After returning to Zagreb, I opened my first shop in 1970 and the first great acknowledgement of my work was in 1978 when I was certified as one of only two Rolex servicers in the entire ex-Yugoslavia region. I have worked well with other prestigious brands such as Patek Philippe, Vacheron Constantin, Longines, Baume & Mercier, Piaget, Certina and Cartier; however, at one point I decided to focus on Rolex and we have had a successful partnership ever since.

AFTER SEVERAL DECADES OF PARTNERSHIP IN THE LUXURY WATCH INDUSTRY, YOU HAVE GAINED A REPUTATION OF ONE OF THE GREATEST EXPERTS OF YOUR PROFESSION. TO WHAT DO YOU ATTRIBUTE SUCH SUCCESS?

In addition to a continuous investment in knowledge and development, qualities which matter the most are perseverance, hard work and meticulousness. I do not improvise, I am completely

invested in my work and I strive for perfection. Just winging it does not bring you success in our business. Watchmaking requires thoroughness and dedication. We are a family business and I have been working with my sons and daughter for several years showing them the ropes. Soon we will be opening a new 300-m2 store in the center of Zagreb, fully equipped in keeping with the highest standards.

WHAT CAN TOURISTS FIND IN YOUR STORE? WHAT ADVICE DO YOU GIVE TO YOUR CUSTOMERS WHEN BUYING A WATCH?

The value added tax refund of up to 17.9% brings in a large number of foreign customers. Our store has different watch brands, with emphasis on Rolex and Tudor watches, and a range of complementary accessories, such as stationery, leather goods and watch winders. A watch is something extremely personal; it is something we treasure our whole life, pass down from generation to generation. Buying a luxury watch is an emotional moment which you remember for the rest of your life and that is why we approach each customer individually, consulting them on the choice by looking at a person's life style, personality and wishes.
