## COVER STORY

The cover pattern presents a motif which can be found on the official attire of the Honorary Croatian Guard. The Honorary Guard is dressed in a formal historical costume conceived as the original creation, based on the solemnly knit costumes of the Croatian great men and virile men from the 19<sup>th</sup> century.

After a 17-year break, starting from May this year, you can see the ceremony of shift of the Honorary Guard for special occasions on St. Marko's square. The entire ceremony lasts 15 minutes, it includes 29 soldiers and a music escort. The ceremony itself is a concept of renowned Croatian choreographers, artists and professionals from the Croatian National Theater, and as such it is an original work of art.

## DEAR TRAVELER

The festive time of the year is again at our doorsteps. This year, as every year, we are spoiled by a plentiful choice of products from around the world. But, this year you might do something a little different than the others; rather than buying something mass-produced, go and hunt for the special items made in your area, at home or on vacation. It is those items that further enrich your experiences and leave you with a good feeling.

In this issue, we give you an insight into two very creative collaborations through our interviews with Sanja Ris from Like a Map, as well as Željka Harić and Iva Mišković from Elderice. Like a Map is a quite uncommon collaboration of a cartographer and a designer creating unique bags with the map of Zagreb and Hvar. On the other hand, Elderice takes traditional patterns and applies them on textiles such as kitchen rags among others.

It is individuals like this that enable local culture to flourish and develop further, enriching the locals' as well as the visitors' experience. Take your time and meet all the individuals that complement this experience, because life is nothing but a collection of experiences that make us who we are. In other words, keep an open mind and use the chance to interact with all individuals that create those experiences and enhance yourself further.

So, make use of your personal copy and discover the special experiences you can only find here.

Sincerely,

Insight Design Guide Team

# A NEW TAKE ON EVERYDAY ITEMS

IN THIS INTERVIEW WE PRESENT SANJA RIS FOR LIKE A MAP BRAND AND ŽELJKA HARIĆ & IVA MIŠKOVIĆ FOR ELDERICE TEXTILE DESIGN STUDIO

## LIKE A MAP, SANJA RIS

**LIKE A MAP PRODUCTS WERE A RESULT OF AN INTERESTING COLLABORATION BETWEEN YOU AS A DESIGNER AND A CARTOGRAPHER. HOW DID YOU COME TO AN IDEA TO APPLY MAP PRINTS TO EVERYDAY PRODUCTS?**

Personally, I find forms of city ground planes very interesting in a clear graphical view. If we look at any map print only in

this way, without street names, geographic toponyms, and other thematic content, we can see a very impressive graphic design, which is also the unique identity of each city. To work on illustration and design on this subject is very creative. Thanks to my husband's profession of cartography, I have come closer to this interesting topic. Applying map prints to everyday items is not an innovation, but an intent to make these items an original reminder of beautiful memories from a particular city.

**WHAT CAN WE FIND IN YOUR PRODUCT PORTFOLIO?**

In the Like a Map collection, you can find original notebooks

and canvas bags with the map prints of the cities of Zagreb and Hvar, available in two colors. Those are actually everyday items, which we all use. So, we find it interesting that with your everyday bag, you also carry the memories of your trip to Zagreb - it is almost as if you were on vacation all the time! We are continuously expanding our offer with new items, so you can expect more products to come.

**YOUR PRODUCTS ARE COMPLETELY MADE IN CROATIA. CAN YOU DESCRIBE TO US A PROCESS FROM AN IDEA TO THE FINALIZED PRODUCT?**

After the conceptual process, the production process is extremely important for achieving premium quality of the final product. For this reason, we are glad that we can do all the production and the development in Croatia. We are involved in the entire process - pointing corrections, tracking the process in the making, and when we finally get the products which are of the highest standards, we know that our buyers will be delighted and have a long lasting reminder of our beautiful cities.

# ELDERICE, ŽELJKA HARIĆ & IVA MIŠKOVIĆ

## HOW DID ELDERICE START? HOW DID YOU COME TO AN IDEA TO DO THIS KIND OF TEXTILE PRODUCTS?

Elderice is a screen-printing textile studio located in Zagreb that makes small runs of hand screen-printed fabrics. We started it in 2010 as a project which would show our creative process. Željka was always interested in visual arts and graphic design, and Iva in sewing and pattern making. Hand-printed fabrics seemed as a perfect platform to bring our ideas and interests to life. At first our techniques included stamping and hand painting the fabrics, but later on we started working on hand screen-printing techniques which we use today as our standard production process.

## CAN YOU DESCRIBE YOUR PROCESS OF PRODUCTION?

It all starts with sketches and drawings which later become prototypes for graphics, patterns and final products. We don't necessarily use those ideas immediately — sometimes they need to rest for a while. After we decide which pattern will be turned into silk screen graphic, we move on to the next step, which is screen printing fabrics by hand. The fabrics need to be completely dry before we start cutting and tailoring them for sewing and turning them into final products. Each fabric has its own unique print and signature. That's the beauty of the process, because it

reflects the specific conditions in which the print was made.

## WHERE DOES YOUR INSPIRATION COME FROM?

Inspiration comes from our surroundings, mostly nature and architecture. Everything in nature is an inspiration - movement of branches, shapes like twigs, plants, herbs, pine needles, shadows, raw mountain landscapes, but also repetitive manmade landscape and architecture. The point is to find visual balance in fluid natural shapes and sharp geometrical forms.

## WHAT CAN WE FIND IN YOUR ASSORTMENT WHICH IS PERFECT FOR THE UPCOMING HOLIDAY SEASON?

For the holiday season we have a brand-new graphic called Animal forest, inspired by a beautiful Croatian fairy tale "Hedgehog's home". The graphic is perfect for cold winter days as it evokes warmth and comfort of carefree childhood days. Our assortment for holidays includes enamel mugs, ceramic cups, and fabric baskets which are an ideal holiday gift because of their versatile use in living or working space. We also have a variety of pillow covers, tea towels and table runners. Our nature and urban inspired prints will easily blend into any living space and make for an original holiday gift.

# A GUIDE FOR HAPPY SHOPPING

EVERYTHING YOU NEED TO KNOW WHEN  
YOU ARE SHOPPING IN ZAGREB!

## **CROATIAN CURRENCY IS THE CROATIAN KUNA (HRK)**

In stores, bars, restaurants you can pay ONLY in Kuna.

1 euro = approx. 7.5 kuna; 1 US dollar = approx. 6.4 kuna

**CROATIAN VAT (PDV)** is 25% and is included in retail price.

**CREDIT CARDS** are accepted in all stores presented in the guide.

**WORKING HOURS** Most stores work shorter on Saturdays and many stores are closed on Sundays and national holidays.

**ATM MACHINES** can be found all around city center. The limit you can withdraw in one transaction may vary from 1600 kn to 5000 kn.

**EXCHANGE OFFICES & BANKS** The exchange rates in banks and exchange offices may vary. Exchange offices usually offer better rates than banks.

**WEB SHOPS/SHIPPING** Certain brands and stores offer online and catalogue orders. Please keep in mind that every web shop has individual terms & conditions, as well as shipping policies.

**RECEIPTS, TAXES AND RETURNS** For every purchased item you should get a receipt (keep it, especially if you want to return or exchange purchased items). Return policies may vary, so feel free to ask any questions you may have. Some stores have no cash refund policies, but offer the option of exchanging the purchased items for other products in the store.

## **SHOPPING TIPS & TRICKS**

All items in stores should have clearly displayed prices, with VAT (PDV) included, and if the item is on sale it should be marked as such.

We are not a culture of bargaining, but some shops offer a discount on cash payments.

Keep in mind that sales assistants in Zagreb are not overly assertive in approaching the customer, so do not be shy to ask for any information about the item you are interested in. They will be more than happy to assist you.

Do not forget to exchange your money from Monday to Saturday, because banks and exchange offices are closed on Sundays and national holidays.

# Kutjevo - 785 years of winemaking passion

**KUTJEVO** is one of the oldest wine cellars in South-Eastern Europe; built in 1232, it stands for passion and knowledge developed through centuries of dedicated work at the Kutjevo wine estate. It is this long-lasting tradition that enabled the creation of famous wines such as Graševina, which is one of the cornerstones of the Croatian wine culture today.

The Kutjevo **WINE CELLAR** is further renowned for its unparalleled wine archive in Croatia, with a rare example of Graševina from 1947 in its possession. Today, Kutjevo's production encompasses 1,000 ha of vineyards, extending over the southern slopes of the **GOLDEN VALLEY**.

The grape variety of **GRAŠEVINA** (Welschriesling) first appeared in the Kutjevo wine hills in 1853, soon proving to be an excellent location for creating one of the best wines of the variety. In 1976 Kutjevo's Graševina was acknowledged as the first premium quality wine in continental Croatia by a committee of experts from the Institute of Viticulture.

**DE GOTHO** series of wines by Kutjevo contain only grapes grown in the sunniest vineyards and are harvested later, when the quality of the grapes is at

its peak. This category holds Graševina and Pinot noir which are ripened in high quality barrels made of famous Slavonian oak.

**WHITE WINES** with harmonious tastes are dominant, their aroma evokes memories of ripe fruits, various flowers and meadow grass, beginning with the more neutral, transitioning to stronger aromas.

Additionally, Kutjevo offers aromatic **DRY WINES** without sugar and **SWEET WINES** from the later harvests, as well as **RED WINES**, which with ripened tannins remind of dark fruit, strong herbs and violas, roses, vanilla and tobacco.

Kutjevo is the wine maker that won the most awards at fairs in Croatia and abroad, winning 50 prestigious **WINE AWARDS** every year: Championship awards, great golden and golden medals, from domestic to the most prestigious international competitions, like the Concours Mondial de Bruxelles, Decanter or Mundus vini.

[For an extensive wine offer and premium service, visit Kutjevo wine shop at the Jarun market \(Pakoštanska 5\).](#)
