COVER STORY

The cover motif displays the dome of the Zagreb Observatory known as the Priest's Tower (*Popov toranj*). The Priest's Tower dates from mid-13th century, and it was a part of the medieval city fortification, used as protection for the northern city gates. It got its name due to the fact that it was in ownership of the Archbishop of Zagreb. In the mid-17th century, the tower was converted to a school, and in 1903, following the initiative of the Croatian Society of Natural Sciences, it became the astronomical observatory. Since its foundation, the main aim of the Observatory was to bring science to the public and serve as an educational hub.

Located in the picturesque Upper Town, Opatička Street 22, The Observatory is open Monday to Friday from 9am to 2pm.

EDITOR'S LETTER

DEAR TRAVELER

The festive time of the year is a perfect reason for your trip to Zagreb – with its Christmas market voted the best in Europe for three years in a row! Holiday season in Croatian capital is vibrant and fun, starting from holiday decorations throughout the city, open concerts and choir performances, food stands and children's programs. For more than a month in Zagreb, literally every day is a fun day! And if you wish to see more than Zagreb, we suggest discovering the holiday spirit in Krapina-Zagorje county which is only half an hour away from Zagreb and offers beautiful countryside and cultural spots.

Like every year, the holiday season makes us ask the same old question, what to get our loved ones? Luckily, the answer to your question can be found in this guide. We are very proud and pleased to present to you some of the best Croatian artisans, designers and small manufacturers. All these individuals have devoted their lives to creating beautiful products that are full of passion and love.

In this issue, we provide insight into two very creative female minds in our interviews with Petra Lasić and Zdravka Radić. Petra designs modern and wearable female fashion under the fashion label LP design and runs the LP design fashion store which offers (besides her clothing line) accessories by numerous Croatian designers. The other artist, Zdravka, is the name behind Zizou jewelry and she creates contemporary jewelry inspired by geometrical forms made of recycled silver.

For this holiday season, get something unique for your loved ones, products of true value, products made with love. The little pieces of Zagreb you can hold onto until the next time.

Happy Holidays!

CROATIAN CONTEMPORARY FASHION AND JEWELRY WITH A TWIST

IN THESE INTERVIEWS WE PRESENT JEWELRY DESIGNER ZDRAVKA RADIĆ, THE FACE BEHIND ZIZOU JEWELRY AND CROATIAN DESIGNER PETRA LASIĆ, THE OWNER OF LP DESIGN FASHION STORE

ZIZOU JEWELRY, ZDRAVKA RADIĆ

ZIZOU JEWELRY IS ARTISTIC MODERN JEWELRY CREATED IN SMALL SERIES. CAN YOU TELL US MORE ABOUT YOUR JEWELRY AND THE PROCESS OF CREATING YOUR PIECES?

The jewelry I design is contemporary and wearable at all times, yet different in its simplicity. It is aimed at urban women that know what they want and aren't afraid to show it. It is made of recycled silver using a combination of traditional and modern jewelry techniques.

WHERE DOES YOUR INSPIRATION COME FROM?

The inspiration comes from geometrical shapes, and by composing them I try to get small wearable sculptures. The whole creation process is actually a game which I enjoy endlessly.

BESIDES LP DESIGN SHOP WHERE ELSE CAN YOUR JEWELRY BE FOUND?

The great thing is that you can find and try on my jewelry collections in LP design fashion store, but if you ever wish for more, you can also explore my online store zizouart.com and enjoy your shopping from the comfort of your home.

PETRA AND YOU ARE THE NAMES BEHIND THE HUSH HUSH ARTISAN MARKET. CAN YOU TELL US MORE ABOUT THAT PROJECT?

Two years ago, we launched the Hush Hush Market with the aim to present the work of local artists and designers to a wider audience. The market is held three times a year, in spring, autumn and at Christmas time. This Christmas, visitors will be able to enjoy Hush Hush Market #7 in the company of many designers and artists that are presenting their original works which are somehow truly unique and different.

LP DESIGN FASHION STORE, PETRA LASIĆ

LP DESIGN IS YOUR FASHION BRAND THAT FINALLY HAS ITS OWN SPACE IN THE CITY CENTER. HOW WOULD YOU DESCRIBE YOUR FASHION LABEL? WHAT CAN BE FOUND IN THIS AUTUMN/WINTER COLLECTION?

After years of working in a small studio in the attic of my Zagreb apartment, I am incredibly excited to finally have a space that is accessible to everyone, located in the city center at Petrinjska Street 31. Opening my own showroom was a great challenge, but my love for fashion, design and working with people, gave me that extra push for the big step. Today I'm proud of my decision and looking forward to everyone who steps into my small fashion factory. In LP design fashion store we offer distinguished collections of coats, dresses, tunics and other garments. If I had to put a special emphasis on winter collection items, it would be on boucle wool coats, unique dresses, and tunics created in a very specific hand print technique, so each one is unique.

WHERE DOES YOUR INSPIRATION COME FROM?

LP design is a brand that reflects a unique, contemporary style that

focuses on precision, quality and fabric. The materials I use are mostly natural fibers with various textures. I do not seek inspiration for creation, it mostly comes to me naturally! Often it is in the things that surround me, in the materials and the environment.

IN ADDITION TO YOUR FASHION LABEL, PRODUCTS FROM OTHER DESIGNERS AND SMALL MANUFACTURERS CAN BE FOUND IN YOUR STORE. CAN YOU TELL US A BIT MORE ABOUT THEM?

In the store you can also buy fashion accessories created under my LP design brand, such as popular backpacks, bags, hats and leather jewelry, as well as the products of other Croatian designer brands which blend well with the philosophy and the interior of the store - Zizou art jewelry made of silver, natural cosmetics 757, bags by Danijela Štambuk and Go Retro women's belts.

ZAGREB MARKETS

Zagreb has vibrant and lively daily as well as weekly market culture. You can find farmers and flea markets all year around. Farmers' markets are open every day and for most locals they serve as a great source of fresh meat, fish, veggies and fruits on a daily basis. Of course, markets are most crowded on Saturdays, which is the most common day for visiting.

Besides Dolac, you should not miss Sunday's weekly Antique fair at the British Square, as well as Hrelić, a massive flea market in Jakuševac situated on the outskirts of the city – where you can get literally anything, whether it be a car, second hand clothing or used kids' toys, among many other curiosities.

Markets' opening hours are from 6:30 am to about 2 pm every day except on National holidays.
